

ADS/Hancor: Conservation Stewardship Award

Nominee: _____

Nominated by: _____

Any contractor member, state officer or Executive Director may submit nominations. The contractor nominated can be a member of any state chapter not just your own. Please submit a paper on why you feel this person should receive the recognition.

Criteria

1. Actively utilizes practices that enhance water quality and minimize soil erosion and sediment loss.
2. Installs drainage and/or water control systems that are environmentally sound.
3. Works closely with local authorities to insure proper installation of all conservation practices.
4. Promotes the utilization and proper installation of conservation practices and assists in educating fellow contractors and the general public.
5. Active in LICA
6. Operates in a safe manner.
7. Runs a profitable business.
8. Seeks change to improve the profession.
9. Promotes proper maintenance assistance.
10. Good community leader.
