

Cat® Machines Are Built to Work and Built to Last.

And to prove it, your next new Cat machine comes with extended powertrain protection... at no cost to you.

Your powertrain will be covered for up to three years or 5000 hours ⁽¹⁾ so you can:

» Work Confidently
backed by the power of the earthmoving equipment leader

» Control Costs
avoiding the expense of covered repairs

» Safeguard your investment
entrusting your machine to trained technicians whose service expertise and accurate recordkeeping can boost resale value

» And it won't cost you a thing.⁽²⁾

» What's included?

The plan covers parts and labor for powertrain component failures caused by defects in materials or workmanship.

This includes:

Basic engine, transmission, torque converter/divider, drive line, differential, drive axles and final drives.

Hydraulic drive pumps and motors on excavators and machines with hydrostatic drive or differential steering.

Brake components that also provide steering on track-type tractors and track-type loaders.⁽³⁾

Service brake components that are internal to covered powertrain components.

Contact the National LICA Office or your State Chapter for complete details
