

LICA Contractor Safety Management Plan

The purpose of this comprehensive safety manual is to provide LICA members with recommended safe operating procedures and to outline techniques that are essential for the protection of the industry's greatest asset "its people and equipment."

It is designed to be your individual company safety program or supplement to your existing program. It contains toolbox talks, equipment and jobsite inspection forms and much more.

For your convenience a complete CD of the manual is included. This manual is worth thousands of dollars and is FREE to every contractor member.
