Tours

Copper Mine Tour

The first stop on your tour is the Open-Pit Viewpoint on the south rim of the Mission Mine. Each year the mine has the capacity to process about 260,000 tons of copper concentrates which yields 132,700,000 pounds of copper and 1,234,000 ounces of silver.

Bus Tour of Tucson

After this tour you will know everything about the city of Tucson. We will visit the oldest Catholic Mission, various neighborhoods, and it includes lunch at El Charro Cafe, The Nation's Oldest Mexican Restaurant in continuous operation by the same family.
